6. Reason For Appeal (attach additional sheets if necessary)

Instructions: An Appeal can be made for one or more of the following reasons (A-E). Completely fill in areas only for which the appeal is being made.

(A) **Interpretation** of the Zoning Ordinance is requested because _____

(B) A **Special Permit** is required pursuant to Zoning Law § _____
because _____

(C) An **Extension to a Special Permit** is requested because _____

(D) A Use Variance is requested for these reasons:

Special Instructions: There are strict legal requirements for the granting of a use variance. You are directed to review Town Law §267-b(2) and the applicable case law thereunder.

(1) Under the zoning law, the land or structure can not yield a reasonable return if used only for a purpose allowed in that zoning district without a variance because _____

(2) The use requested by this application for a variance will not alter the essential character of the locality because _____

(3) The plight of the applicant is due to unique circumstances and not to the general conditions of the neighborhood which may reflect the unreasonableness of the ordinance itself because _____

(4) The conditions creating the unnecessary hardship are not self-created and the appellant did not acquire the land, building or structure with actual or constructive knowledge that the desired use was not permitted without a variance because _____

(E) An **Area Variance** [Town Law §267-b(3)] is Requested for these reasons:
APPLICANT MUST SUBMIT A SKETCH DIAGRAM OF THE SUBJECT PREMISES TO SCALE, WHICH DIAGRAM MUST SHOW ALL BUILDINGS AND FIXTURES EXISTING ON THE PREMISES AS OF THE DATE OF THE APPLICATION.

(1) If the variance is granted, the applicant will have the following benefit: _____

(2) If the variance is granted there will (not) be an undesirable change in the character of the neighborhood or a detriment to nearby properties, because _____

(3) The applicant can (not) attain the benefit of having the variance by any other method because _____

(4) The requested area variance is (not) substantial because _____

(5) The requested variance will (not) have an adverse effect or impact on the physical or environmental conditions in the neighborhood or district because _____

(6) The alleged difficulty was not self-created because _____

7. State Environmental Quality Review

The applicant is responsible for completing the applicable SEQR documents and submitting those documents with and as a part of this application.

Submitted with this application is Part 1 of

8. General Municipal Law § 809 Certification

In accordance with General Municipal Law § 809, the undersigned certifies in submitting this application that no officer or employee of the State of New York or County of Schoharie or Town of Cobleskill is interested in granting said application:

It is understood that:

(A) A person is "interested" in such application when he or his spouse or their brothers, sisters, parents, children, grandchildren or spouse of any of them

- (1) is the applicant, or
- (2) is an officer, director, partner or employee of the applicant, or
- (3) legally or beneficially owns or controls stock of a corporate applicant or is a member of a partnership or association applicant, or
- (4) is a party to an agreement with such applicant, express or implied, whereby he may receive any payment or other benefit, whether or not for services rendered dependent or contingent upon the favorable approval of such application, petition or request.

(B) Ownership of less than five (5%) of the stock of a corporation whose stock is listed on the New York or American Stock Exchanges shall not constitute an interest for the purpose of this section.

(C) Any person who knowingly and intentionally violates the provisions of General Municipal Law § 809 shall be guilty of a misdemeanor.

(NOTE: If in any case the applicant cannot make the foregoing certification, the applicant shall so state and shall furnish with the application a signed statement which sets forth in detail the reason therefor.)

The foregoing certification as well as the contents of this entire application is hereby subscribed by the applicant and is hereby affirmed by the applicant as true under the penalties of perjury.
